

VEGAN MARKET PLACE:

PRODUCTS AND SERVICES THAT SUPPORT A VEGAN LIFESTYLE IN VICTORIA, BRITISH COLUMBIA, CANADA

The list below is not a complete representation of businesses that serve vegan lifestyle needs. Some of the listings are local (i.e., Victoria, BC); some are by mail order. We are open to receiving suggestions of businesses that could be added to our list. We prefer to list businesses that are owned by vegans, who care about animals. Non-vegan businesses are listed where they contain unique products of particular interest to vegans. Note: We do not list, and will remove from our list, farms of which we have been made aware that kill wildlife.
